For immediate release

**Justin Coulter Exhibition at The Sculpture Center
in the Window to Sculpture Series**

The Sculpture Center announces an exhibition by Justin Coulter from Nov. 21 through Dec. 19, 2003. The free, public reception with the artist is Friday, Nov. 21, from 5 pm to 8 pm.

Robert Thurmer, sculptor, and teacher at Cleveland State University, and Art Gallery Director of the University Art Gallery, will lead a gallery talk with the artist on Thursday Dec. 4 at 6 pm. The gallery talk is free.

Mr. Coulter creates sculpture in resin, bronze, plastic and guitar strings – embellished with latex, paper, and paint. His structures play with intention and placement, with a sense of fictional story, imaginary purpose, and absurdity of use.

Mr. Coulter has a B.A. in Sculpture from Cleveland State University. He is a guitarist and singer in the Cleveland band *Roué*, and works as a Lost Wax Art Casting Contractor for Light Sculpture Works, Art Foundry in Cleveland.

The Sculpture Center gallery hours are Monday through Friday, 10 am to 4 pm, and Saturdays from noon to 4 pm. Admission, gallery talk, reception with the artist, and parking are free. The Sculpture Center is handicapped accessible. The Sculpture Center is a not-for-profit arts organization. Exhibiting artists receive 100% of sales.
