Winstel Appointed Acting Director

The Board of Trustees of The Sculpture Center has designated Lisa Winstel as acting director. Winstel joined the staff of The Sculpture Center in September of 2002 as the Development Director and then served as the project manager for Monumental Spirit: A Celebration of David E. Davis. "Lisa impressed all of us with her management of Monumental Spirit. We are confident that she will perform equally well in her expanded position," said Board Chair Mark Wallach.

Winstel's duties for the interim position include managing the organization, finances, marketing, fundraising and communications. Her duties will also encompass those previously handled by the Administrator, which position has been eliminated. As the Board addresses the transitional planning needs of the organization in the wake of the passing of the founder, it is anticipated that a new staffing structure will emerge.

The staffing change will not adversely affect programming. The current exhibit of the works of Eddie Fulcher has been enthusiastically received and the next exhibit, featuring the works of Justin Coulter, will open on November 21. There is a free reception with the artist at 5 pm November 21 and a Gallery Talk on December 4 at 6 pm.

Any questions about the change in staffing or the status of the organization can be addressed to Lisa Winstel at 216-229-6527, or to Mark Wallach at 216-622-8344.
