Photographing Artwork on a Budget

3 Practical Workshops

Learn from professional photographer, **Jerry Birchfield**, about taking great application worthy photos of your art. **Come to 1 or all 3** sessions to learn techniques about lighting, equipment, set-up, and editing photos using inexpensive apps/software. All materials for demonstrations provided. Bring whichever camera you use, including your cell phone.

Location for all 3 workshops:
Jerry Birchfield's Studio
1667 E. 40th St., 1D2, Cleveland, OH

1. **Monday, August 13 at 6:30 to 8pm**
Photographing 2D Art (anything flat)
2. **Monday, August 20 at 6:30 to 8pm**
Photographing 3D Art (everything else)
3. **Monday, August 27, 2018, 6:30 to 8pm**
Photo Editing (using free or low cost apps)

Once you've taken your own photographs and have more questions, join the follow up online Q&A on **Monday, Sept. 17** at time TBD.

Want to learn more about videography?

Apply to shadow photographer and videographer **Amber Ford** for each of the round-tables and the photography workshops.

Negotiating the Art World

Strategies for Underrepresented Artists

presented by
The Sculpture Center

All events are free.

Just let us know if you will be attending any of the round-table discussions or the photography workshops so that we'll be sure to have enough handouts and refreshments for everyone.
